EVENT WELCOME

Dear All Swimmers, Parents & Friends

Thank you for entering the BMSS & City of Salford Summer Sprint Meet 2022.

Following the last few seasons, it's a pleasure to be able to get the racing underway once more in Salford in this joint meet between Bolton Metro and City of Salford. We've partnered on this meet as a strength of unity and co-sharing resources as all clubs find their feet following many changes over the past two years.

We have many volunteers and officials running a meet for the first time – we thank them for coming forward to help and also ask for everyone's kindness and appreciation both prior to and during the meet.

Please read the below information carefully and get in touch if you have any questions. All entries have been accepted – and the timing of the warm ups / sessions have been altered slightly.

There is a sports photographer at this meet, should you wish not to be photographed during the meet please let the organisers know ASAP and fill in the form at the end of this pack.

Best of luck to all the swimmers that are competing.

City of Salford Swimming Club & Bolton Metro Swim Squad
